The annual golf outing is not only a great way to network within the USGBC-NJ community, it's also a terrific way to entertain clients. Join the many companies who are already leveraging this opportunity to make the USGBC-NJ outing, their company's annual golf outing.

Golf sponsorship packages are available which, in addition to fantastic benefits, present opportunities to organize an increased number of golfers in your groups. Sponsorships can be shared by two companies which will increase both of your benefits! [Register to sponsor today.](#)

**Keynote: Christopher O. Ward,
Executive Director, Port Authority
of NY/NJ**

LUNCHEON: BUSINESS OPPORTUNITIES ARE IN THE PRIVATE AND PUBLIC SECTORS

We are proud to present speakers that are prominent leaders in sustainable building design and implementation that will open the Network Luncheon. The topics addressed will provide insights as to business opportunities in the public and private sectors! If you do not golf, still join us for this dynamic networking luncheon. Christopher O. Ward is the Executive Director of the Port Authority of New York and New Jersey (and President of the Port Authority's wholly owned entities: the Port Authority Trans-Hudson Corporation, the Newark Legal and Communications Center Urban Renewal Corporation and the New York and New Jersey Railroad Corporation). He was appointed on May 22, 2008. This is Mr. Ward's second tenure at the Port Authority. He previously served as Chief of Planning and External Affairs, as well as Director of Port Redevelopment from 1997 to 2002. For more information, [click here](#)

**Keynote: Brigadier General Peter A.
(Duke) DeLuca North Atlantic
Division Commander, USACE**

Brigadier General Peter A. (Duke) DeLuca became Commander and Division Engineer of the North Atlantic Division (NAD) on April 17, 2009. NAD is one of nine Corps of Engineers divisions providing engineering and construction services to the Nation. It is the Corps' regional business center in the Northeast from Virginia through Maine and more than 90 other countries in Europe and Africa, with district offices in Concord, Mass., New York City, Philadelphia, Baltimore, Norfolk and Wiesbaden, Germany.

As Division Commander, Brig. Gen. DeLuca oversees the planning, design and construction of projects to support the military, protect America's water resources, and restore and enhance the environment within a 180,000 square mile area along the Atlantic Coast. This includes more than \$7 billion in work to support Base Realignment and Closure 2005. He is also responsible for a variety of Division engineering and construction activities for international, Federal, state and local governments and agencies in the US and overseas, including in Europe and Africa. The total program in North Atlantic Division today is over \$16.6 Billion in work.
