## Leadership, Ethics, and Project Execution

An Evidence-Based Project Success Model

**F.H. (Bud) Griffis**, Columbia University and New York University, New York, **Frederick B. Plummer**, University of Illinois, Champaign and **Francis X. DarConte**, New York University, New York

Leadership, Ethics, and Project Execution provides a masterclass in the project and people management skills that set apart the most accomplished design and construction professionals. Interactive exercises allow readers to take the role of junior project managers and other emerging professionals and reason through the ethical dilemmas surrounding building projects from the initial bid to completion. Chapters on stakeholder alignment, productivity, and project success ensure that aspiring leaders' business decisions are as economically sound as they are ethically correct.
